**REFRESHMENT FOR THE SPIRIT - NOURISHMENT FOR THE SOUL**

If you thought that living with Christ was all about being stiff-necked and stony then let us change your mind!

The Gospel Café is an innovative, enabling way of fully worshipping God. Using creativity as a tool for healing and renewal, The Holy Apostles Theatre Ministry have fashioned a *sacred platform* to acknowledge and nurture the spiritual gifts of ingenuity, excellence and intuition.

The atmosphere is endowed with the tangible *Bread of Heaven* which is refined and distributed through a dynamic blend of live gospel music from UK's rising Stars, interactive participation, inspirational interviews, world class performance poetry, uplifting testimonies, thought provoking drama, social action in The Faith Factor and also the hilarious Biblemania quiz and prizes.
